Features of our Earth Drills

FORGED HOOD EARS
Standard with all Earth Drills in areas that we know will take a lot of strain. All hood pins are locked for extra safety making it impossible for the hood to detach from your hitch.

HOSE & COUPLER OPTIONS
All Earth Drills come standard with high quality hoses and couplers (excludes larger units).

HIGH QUALITY HYDRAULIC MOTORS
Auger Torque’s huge buying power means we work closely with companies such as Eaton in America to develop the most reliable attachments available on the market today. Unlike some manufacturers all our Eaton Motors are in fact USA made.

EPICYCLIC GEARBOX
Torque is amplified by using the unique Auger Torque planetary gearbox. This system allows the motors output torque to be multiplied with extreme efficiency as well as ensuring the durability and reliability you need.

NON-DISLODGERMENT SHAFT
Unique to Auger Torque, the Non-Dislodgement Shaft is a single piece drive shaft assembled top down and locked into the Earth Drill housing. This design guarantees that the shaft will never fall out, making for a safer work environment, not only for the operator but also any surrounding workers, a MUST-HAVE FEATURE for any safety conscious company.
MICRO EXCAVATORS 1,650 - 2,200 LB

S2 AUGERS
4 in. - 12 in. Dia

Torque Range: 139 – 858 ft-lb
Oil Pressure Range: 435 – 2,683 psi
Oil Flow Range: 4 – 9 gpm
Speed Range: 38 – 81 rpm
Unit Height: 19 in.
Unit Diameter: 7 in.
Unit Weight: 77 lbs
Output Shaft Std: 1.97 in. Round
Stihl Coupling

The Output Shaft on the 900-9 Earth Drill can accept the Stihl coupling directly to the shaft.

MICRO EXCAVATORS 0.75 - 1 TON

S2 AUGERS
Auger Torque S2 Augers feature extra long flighted sections of shallow pitch flights. The Augers are fitted with Earth Teeth and an Earth Pilot.

Available in the following diameters:

- 4 in.
- 8 in.
- 10 in.
- 6 in.
- 9 in.
- 12 in.

IDEAL FOR FENCING

The Earth Drill 1200 is Auger Torque’s entry level model however its compact size and robust construction and ability to turn a 12 in. Auger make it very popular in the fencing industry.
